

Begin your journey by stepping into **Paradise Valley Hospital** and you immediately sense what makes our hospital unique.

The differences are caring and commitment.

We care about our patients and our employees and we make a commitment to them and the communities we serve. If you have dreamed of a workplace where you can derive great satisfaction from giving care to others, live that dream here at Paradise Valley Hospital.

You can feel the cooperation and positive attitude of the staff. You can see the smiles of satisfied patients who know they are treated, not only as individuals, but as members of our family.

"My co-workers are part of my extended family. I feel supported, even cared for when I'm at work."
Rebecca Shinneman, Executive Secretary Administration

The Healthcare Family That Cares

The staff at **Paradise Valley Hospital** is a family of caring professionals who bring dedication and commitment to a single vision: "*We will be renowned for our personalized care, compassion and healing.*" It is easy to feel the **positive energy** that enlivens the staff, and to see it reflected in the outlook of the patients. At **Paradise Valley Hospital**, everyone works hard to enhance the patients' total well being.

"Paradise Valley Hospital delivers technologically advanced care in a true family-centered environment."
Ann O'Neill, RN

A Hospital on the Move

Paradise Valley Hospital is the South Bay's **third largest employer**. We have expanded steadily to meet the increasing population and needs of the communities we serve. From its beginnings as a single sanitarium, the hospital has grown to a current central facility; encompassing eight buildings over eight square city blocks, plus nearby Bayview Behavioral Health Campus. The hospital has never stopped adding facilities and services, integrating the **most up-to-date technology** to better serve our patients.

Our Commitment to the Community

Our hospital is still an integral and important part of the communities we serve. Our involvement has resulted in a variety of **special programs**, including Partners for Prevention, the Center for Health Promotion, the Juvenile Delinquency Prevention Program, Critical Hours After School Activities, the Community Council, and many others.

Live and Work in Paradise

We're located in beautiful Southern California between San Diego and Mexico, in an area that offers an attractive lifestyle. There's **great weather**—70 degrees pretty much year round—and 70 miles of pristine beaches to enjoy it on. Kids and adults alike enjoy world-famous entertainment venues like **SeaWorld**, the **San Diego Zoo**, **LEGOLAND California**, or nearby **Disneyland**. Professional spectator sports, year-round **water sports**, nearby **mountains** and **deserts** all vie for your attention. The area is also home to nationally recognized **colleges** and **universities**.
